

MOD-AIRE Cushion Carpet Tile Backing

MOD-AIRE is ENCORE's cushion offering for carpet tile, which provides greater under foot comfort as well as enhanced acoustical properties. This backing is an ideal solution for high moisture slabs as the backing was innovated to let the tile breathe, protecting your investment and allowing fast installations.

MOD-AIRE is available on all ENCORE carpet tile styles.

PERFORMANCE ATTRIBUTES

- Modular cushion provides improved under foot comfort
- Superior tuft bind
- Improved acoustical absorption
- Backing allows moisture to wick to tile joints and evaporate
- Superior dimensional stability
- Available on most modular carpet styles and sizes with 250 sq. yard minimum

ENVIRONMENTAL ATTRIBUTES

- CRI Green Label Plus Certified
- May contribute to LEED credits

Recommended Adhesive: Stix 2230 - Pressure Sensitive Adhesive
